

CIVILIAN OF THE YEAR 2005

DONALD FAHLGREN

The Award for this year was based on your receipt of Employee of the Month for the months of August and December 2005.

You were named in August 2005 for your quick response to stopping two individuals from selling parking receipts from 3 stolen credit cards, which thus resulted in no additional loss of revenue to the City attributable to fraudulent use of credit cards in this manner.

In December 2005, you received Civilian of the Month for your observation and detailed information given to Dispatch on a vehicle that had been involved in a fatal hit and run. Due to your good judgment and professionalism, officers were able to take the culprit into custody

You went above and beyond your job responsibility in both cases, and your dedication is to be commended. Congratulations on a job well done!
